

2015 New Jersey Individual EPO Rates

Below are the 2015 rates for our New Jersey Individual EPO plans within our Oxford product portfolio. In accordance with the Affordable Care Act (ACA), all of our 2015 New Jersey Individual plans will be identified by “metallic” benefit coverage levels (for instance Bronze and Silver) with the exception of our catastrophic plan. These designations indicate the relative value of the covered benefits. All plans must meet standard requirements for affordability, essential health benefits and consumer protections. Each metallic level includes choices of benefits, plan types and price. All 2015 New Jersey Individual EPO plans will be gated and will provide access to the Liberty Network. Rates are subject to change and state approval. We reserve the right to correct any typographical errors.
