### Mid-Hudson Region

Counties include:

- Delaware
- Dutchess
- Orange
- Putnam
- Sullivan
- Ulster

### New for 2018: Preferred Provider Facilities

All MVP Liberty plans include preferred provider facilities\* to help reduce out-of-pocket costs for **laboratory, radiology, and ambulatory services**. After meeting the plan deductible (if applicable) services at a preferred provider facility will be covered in full. Members can still access the full network of providers—they'll simply pay less if they choose to seek care at a preferred facility. Visit [mvphealthcare.com](http://mvphealthcare.com), select *Find a Doctor*, and choose *Find a Facility*.

\*Preferred provider facilities are not available in all counties.

### New for 2018: Get More Upfront for Your Premium Dollar

We want your employees to get the services they need and use most, at a lower cost, and before meeting their plan deductible. That's why we've added new plans for 2018—Gold 9, Silver 10, and Bronze 8—that feature unlimited "first dollar coverage" for primary care physician (PCP) visits and prescription drugs. **Note:** on the Bronze 8 plan, generic drugs are "first dollar" and brand drugs are subject to the deductible. See plan details.

### Levels of Coverage

Health plans are offered in a tiered format based on four metal levels that match the percentage of costs covered. As the metal level goes down, the monthly premium goes down while the member's out-of-pocket cost share goes up.

**Aggregate (Agg)** For any policy with two or more members, the deductible must be met by any one or any combination of members before the plan will make payments.

**Embedded (Emb)** Each member will pay toward, but never exceed, their individual deductible and/or OOPM until the larger Family deductible and/or OOPM is met. Once the Family deductible and/or OOPM has been met, the plan will begin payment of services for all members on the contract, regardless of the status of any remaining individual deductible and/or OOPM levels.

### Pediatric Dental Included in all MVP Liberty Plans

Preventive	\$25 co-pay, deductible applies to HDHP plans	Routine	20% co-insurance*	Major	50% co-insurance*, including medically necessary orthodontia
All MVP Liberty plans now include pediatric dental benefits, as required by the Affordable Care Act (ACA). Covered dependents, up to age 19, have access to preventive, routine, and major services—from any licensed provider, giving members the freedom to choose any dentist they like! MVP members simply use their MVP Member ID card to obtain these dental services. Dental services are subject to the medical deductible and out-of-pocket maximum (Preventive services are subject to the deductible only in HDHP plans). See plan details for more information.
