<sup>†</sup> Unless otherwise noted in the chart above, all plan deductibles and/or out-of-pocket maximums (OOPMs) are embedded.

### Aggregate vs. Embedded

**Aggregate (AGG):** In a family plan with an aggregate deductible, all individuals on the plan pay together toward one deductible amount, before the plan will make payments.

**Embedded:** In a family plan with an embedded deductible, each member pays their own, individual deductible. Once an individual has met their deductible, no further deductible is required of them for that plan year. Other family members continue to pay toward their individual deductibles until the family deductible is met. An embedded out-of-pocket maximum works the same way.

### More About Our Plans

## 2020 Plan Highlights

### Up to \$600 with WellBeing Rewards

Members can be reimbursed \$200 for wellness-related expenses, earn \$200 for completing healthy activities, and get an additional \$200 for activity tracking, per contract, per calendar year.

### National Network Access

Members enrolled in a National Network plan have access to the Cigna HealthCare network—giving members full national coverage by allowing them access to providers outside of the MVP regional network.

### Adult Vision Benefit

New York Small Group plans cover one adult vision exam every two plan years and a \$60 allowance toward the price of one pair of eyeglasses or contact lenses every two plan years.

### Preferred Provider Facilities

By utilizing preferred provider facilities for laboratory, radiology, and ambulatory services, members can pay as little as \$0 or pay a reduced cost share in plans with an unmet annual deductible. Preferred provider facilities are not available in all counties.
